All That! News - October 2011

Happy October!!

With one month under our belts, the studio is in full swing. We are having so much fun with your students and can't wait to get to class each week. They are a talented and motivated group of young dancers and we are so pleased to work with them. We hope that both students and parents are settling in to the studio routine, Parent Observation Days, tuition schedule, etcetera. October Tuition should have already been paid. We would be happy to set your family up on autopay for your convenience, just give the office a call and let us know. If you have not yet had a chance, please review our Studio Policies and the Studio Dress Code. Let us know if you have any questions!
